

FUNDRAISING PROGRAMME

FUNDRAISING PROGRAM

SAFETY ID's Medical ID (kids) / Medical ID (adults) / Travel ID

Outdoor ID believes in the importance of children having ID just as much as adults should, if not more. Our children are precious to us and our range of ID products are designed specifically with children in mind.

This programme has been designed as an ideal fundraiser for pre-schools, kindergartens, day-cares, primary schools or health & disability groups.

If your child was involved in an accident or suffered some sort of medical emergency, would your friends, paramedics or other strangers who came to their aid know:
Who they are?
If they have any medical conditions?
How to contact their loved ones?

Our range of Safety/Medical ID's give you the ability to easily carry ID. We have a product that will suit your needs—what ever they are (see over page).

Medical ID Insert Card Details

20%

How The Fundraising Programme Works

We try to make the process as simple as possible for your organisation so the programme is effective as possible for you.

We will donate 20% of your total purchases back to the organisation for them to utilise for their best benefit.

What comes next:

- Designate someone to collect orders for your organisation
- Distribute flyers & order forms to all members
- Collect cash and orders (all cheques should be made payable to you)
- Send us your total order along with one payment
- We will distribute all product back to you in one shipment
- The payment for your organisation or designated charity will be passed onto them

FUNDRAISING PROGRAMME

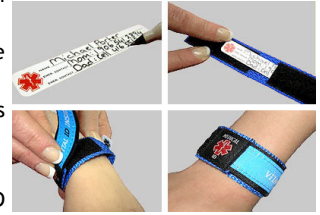

SAFETY ID's Medical ID (kids) / Medical ID (adults) / Travel ID

The following products are available in this programme:

MEDICAL ID (KIDS)

- ◇ Durable—designed for everyday use they can withstand regular wear and tear.
- ◇ Updateable—spare ID card allows details to be updated as required
- ◇ Attractive & Fun—a range of colours to suit everyone's tastes
- ◇ Comfortable—they won't jingle or ride up
- ◇ Waterproof—being 100% waterproof (including the ID card) means they are great for swimming.
- ◇ Colours—Available in Blue, Pink & Charcoal
- ◇ Sizes—Small/Kids are designed for wrist circumference up to 17cm

TRAVEL BAND ID

- ◇ Keep your kids safe while on holiday, day trips, schools trips
- ◇ Stores information about your Child's name (if you wish), any medical conditions, where you are staying, 2 emergency contacts
- ◇ Multi Language—makes it effective in many countries
- ◇ Waterproof & Tough—made from waterproof Tyvek makes them ideal for swimming and won't rip or tear
- ◇ Discreet—your Child's information is contained on the inside of the card and away from prying eyes
- ◇ Disposable—simply dispose of the old band and update with new information as required
- ◇ Sizing—One size fits all up to maximum of 21cm

MEDICAL ID (ADULTS)

- ◇ Durable—designed for everyday use they can withstand regular wear and tear.
- ◇ Updateable—spare ID card allows details to be updated as required
- ◇ Attractive & Fun—a range of colours to suit everyone's tastes
- ◇ Comfortable—they won't jingle or ride up
- ◇ Waterproof—being 100% waterproof (including the ID card) means they are great for swimming.
- ◇ Colours—Available Charcoal Only
- ◇ Sizes—Teen/Adult are designed for wrist circumference up to 21cm

We also have other products available in our Sports ID range. To view these please visit www.outdoorid.co.nz to download our fundraising document relating to these products.

If you have another organisation who you think may benefit from our programme please let them know, or if there is something specialised you would like to undertake please don't hesitate to contact us on simon@outdoorid.co.nz
